Winter Break-

December 19-January 3rd

Word Study:

We will continue to work on penmanship by writing letters of the alphabet. We also review the letter sounds. Please reinforce these skills at home.

We also have begun to introduce our spelling words so that the children become familiar with them. They are: a, and, for, he, in, is, it, of, on, that, the, to, was, you. We will begin to work on spelling these words after the winter break.

Writing Workshop:

We are still practicing how to stretch out our words, listen to each sound, and write the sounds we hear in a word. We are also working on putting a space between each word by using our index finger.

Science:

In Science we will be learning about our 5 senses: hearing, sight, touch, taste, and smell.
